

Table of Solar Eclipses 1916 - 2040

Columns give year, date, zodiac position, Saros series nodal designation and number, eclipse type.

Key: T = Total, A = Annular, P = Partial, H = Hybrid. Date format is DD/MM.

Saros: N = North, N/O = Old North, N/N = New North. S = South, S/O = Old South, S/N = New South.
